## “TOGETHER FOR TROUTVILLE”

### A great way to get involved & Help Make our town great!

What is “Together for Troutville, Inc.?” It is a 501© charitable organization that was formed by the Strategic Steering Committee which began two years ago in Troutville. The Strategic Plan was adopted by the Town Council, and now it's time to start building the blueprints for our town's future. This all citizen volunteer organization is working together and sharing their ideas, energy and commitment to making our town the best it can be! In an effort to make it all happen, we would love to have you join us - we have lots of projects and are planning a Great Start for Troutville's Future! View the strategic plan online at [townoftroutville.com](http://townoftroutville.com) or you can sign out a copy to read at the Town Hall.

**\*\*On the deck when weather permits\*\***

### **A “SWEET” SUCCESS STORY!!**

***By Dottie Henry***

The "Sweet and Sandwich Sale" held on February 14<sup>th</sup> raised \$500 for the *Friends of the Park* - Park Fund. Many thanks to all who contributed to the sale.

A large variety of confections were available for purchase, and once again the cheesecakes and chocolate balls were first to sell out. Thirty (30) guests enjoyed the lunch plates with choices of two sandwiches, fruit-fun salad, chips & homemade pickles, along with raspberry ice tea and coffee. Town Hall was decorated to resemble a Sweet Shop Cafe and a surprise guest - Dorothy Graybill - entertained the late afternoon crowd on the piano.

Mark your calendar for next year to have lunch in Troutville on Valentine's Day...the *Sunshine Girls* know how to show the LOVE!
